Hi Vince and Jennifer,

I can start at 2 PM EST/11 AM PST tomorrow. Attached are my review comments. Vince are you sharing your written comments in advance of our call? Or if you have already, could you resend?

Looking forward to talking to you both tomorrow.

Best,

Erica

Subject: RE: Question RE Upcoming SMBNEP PE Calls

Hi Jennifer,

Thanks for reaching out. I just confirmed our meeting with the Santa Monica Bay NEP staff next Tuesday, April 30.

I'm also proposing that we move our call tomorrow (Wednesday) to start from 3pm to 2pm and ending at 4 instead of 4:30. We may not need 2h but this is our only time to chat before next week.

Is this change fine with you and Erica? Please let me know and I'll update the calendar accordingly.

Vince

Subject: Question RE Upcoming SMBNEP PE Calls

Hi Vince, I have a number of holds on my calendar...could you send me time/date of our call and then the call with SMBNEP staff so I can confirm those and delete others? Look forward to talking with you then, thank you, Jennifer

Subject: [EXTERNAL] RE: Appendix A: SMBNEP Summary of Key Elements

Thanks, Erica. It didn't come through for me. Strange.

I would like to schedule a call to SMBNEP staff to share the Review Team's preliminary findings during the week of April 30th. Can you all please let me know your availability for that week? Jennifer, can you please do the same?

Thanks. FYI, I'm at an all day retreat today so I'll be away from my desk after I send this email.

Vince

Karina, thank you for the time you spent putting this together.
Vince, the attachment came through for me. Can you see it now?

Erica

Hi Karina,

Thanks for the message. I don't see an attachment with your email. Are we able to access the document through the same Dropbox link?

Thanks again for your diligent work on this.
Vince

Subject: Appendix A: SMBNEP Summary of Key Elements
Importance: High

Hello PE Review Team -

Attached, please find "Appendix A: SMBNEP Summary of Key Elements". This document further summarizes the information in the Program Evaluation package, and we hope it contributes to your review process.

Please let us know if you have any questions! Thank you for the opportunity to provide supplemental summary information.
